

## CHILD ABUSE AWARENESS INITIATIVES

- **Host a Training or Presentation:** Education is the first step in preventing child abuse and neglect. Host a training for your work, volunteers, neighbors, etc. to learn the signs of abuse, how to report suspected abuse, how to prevent abuse, how to be trauma informed, etc.
- **Paint Linn County Blue:** Blue pinwheels, ribbons and lights have become a symbol for child abuse awareness month. All over Linn County community members participate in bringing the epidemic of child abuse and neglect into the light. Individual pinwheels are available for your desk or home. Fill out the pledge to be a part of turning Linn County Blue.
- **Sponsor a Training, Pinwheel Garden, or Event for the community:** Awareness initiatives for a whole community or a training for a small organization can be expensive. One way you can support CAN's efforts is to sponsor an Awareness Initiative for your fellow community members.
- **Volunteer:** Are you passionate about child abuse prevention? CAN is looking for community volunteers to help raise awareness on the epidemic of child abuse and neglect and to bring prevention efforts to Linn County.

## What will you do?

### I Pledge To:

- Host a Training or Presentation
- Paint Linn County Blue  
Circle one or multiple, pinwheels, lights, ribbons  
\_\_\_\_\_ Number of pinwheels requested
